27th January, 2015

Dear Parents,

Calculation & Cake

Multiplication and Division

Please join us for 'Calculation and Cake' where you will be able to enjoy a delicious piece of cake, along with gaining an understanding into how calculations are taught across the school, from the Foundation Stage to Year 6.

Our previous "Calculation and Cake" session covered addition and subtraction. This time we will move on to multiplication and division. Therefore, you can attend even if you did not attend in the Autumn Term. It will be a fun and practical session with teachers available to share information on our new Calculation Policy. This will enable you to support your child at home, in line with methods being taught at school.

Calculation and Cake is for parents only, and will take place on Monday 9th February, 2015 at 3.15 p.m. in the School Hall. If you are unable to arrange child care between 3.15 - 4.15 p.m., we will provide separate activities, in Class 3, for any Castle Camps Primary School children. Due to staffing, we will be unable to provide for pre-school or secondary school siblings.

Places are limited so please return your slip below, as soon as possible to ensure a place.

Yours sincerely,

Mrs. L. French

Calculation and Cake – Monday 9th February, 2015

I will/will not be attending the Calculation and Cake presentation.

Name (please print) Signed

Please could I reserve place/s forName of Child/en.
