Dear Parents,

Behaviour in School

At Castle Camps, we have high expectations for good behaviour throughout the school and at all times during the school day. This is closely linked to the Ethos and Mission Statement of our school because we feel it is vital that the school adopts and maintains a consistent approach to behaviour at all times and by all members of the school community.

The underlying principles we wish to nurture throughout our school are to:

- Treat all members of the school community with consideration and respect
- Be polite, co-operative and friendly
- Work hard with a sense of purpose
- Appreciate the school environment and respect the property of others
- Value other people, their work and their opinions
- Develop independence and take responsibility for actions and behaviour.

Regretably, in the last few weeks we have had several incidents of rough games at break times or children not treating others (or school property) with consideration and respect. Lunchtimes have been particularly difficult. To ensure this matter is addressed swiftly before the half term break, we will be talking through our expectations again with all the children after Collective Worship tomorrow morning. Class teachers will also be arranging a lunch time seating plan for children in Key Stage 2 for the remainder of this week. Hopefully, the seating plan is a temporary arrangement that can be stopped after the half term break.

We ask for parents' to support us in reminding their child/children of appropriate behaviour in school to ensure break times are happy times for all. Staff and I will continue to celebrate good behaviour through praise, our House Point system, Values Assembly and new Gold Behaviour stickers.

Thank you for your continued support.

Yours sincerely,

Miss A. O'Connor
Headteacher
