Monday, 1st February 2016

Dear Parents,

Visit to Ely Stained Glass Museum – 'Sensational Science'

Children in Key Stage 2 will be visiting the Ely Stained Glass Museum and Cathedral on Monday, 7th March 2016 to support our topic work in Religious Education and celebrate Science Fortnight.

During the visit, the children will be exploring colour and light in stained glass. Key features of the day include:

- Discovering how stained glass is made with Theophilus the medieval monk
- Investigating light using mirrors & light boxes
- Finding out what makes colour using colour filters.
- Making a kaleidoscope.

Children should be dressed in school uniform will require a packed lunch and drink for the whole day in a named disposable bag. Children will need to bring a waterproof and warm coat appropriate for the weather conditions. We may have time to visit the shop, so children can bring spending money in a named wallet (up to £5.00) but, it must be their responsibility to look after it.

The coach will leave school promptly at 9am and return to school at approximately 3:00 pm. We are asking for a voluntary contribution of £10.00 per child to help cover part of the cost of transport and the workshop (including entry to the cathedral).

Finally, so that the children can work in smaller groups, enabling them to have more attention and help, we would be very grateful if some extra adults could come along. If you can help on the day, please indicate on the permission slip below. Please return by 9am on Friday, 12th February.

Yours sincerely,

Miss A. O'Connor
Headteacher
