Dear Parents,

Linton Village College Admissions 2019-20 Consultation

I would like to draw your attention to proposed changes to the Linton Village College Admissions Criteria, which is currently under review. In today's LVC Newsletter, parents from the college have been invited for their views on the consultation – please see attached. As you will see, the closing date for all interested parties to submit their views is **Thursday, 1st February**.

As an established Partner School, we place great value on our close working relationship with Linton Village College and are fully committed to ensuring a smooth and seamless transition for our pupils. This school-to-school partnership is important to us and a fundamental aspect of life here at Castle Camps. It is difficult to predict how any changes to the Admissions Criteria at LVC might impact on Partner Schools in the future (if at all), but I felt it was only right that our parents were given the opportunity to comment.

I have attached a table comparing the current and proposed changes for your consideration.

Please share any comments with Amanda Clay, the school's Admissions Officer (Amanda.clay@lvc.org) by Thursday.

Yours sincerely,

Miss A. O'Connor
Headteacher
