

Lent Challenge 2020

Dear Parents,

This week we have been learning about Shrove Tuesday and Lent, we have discussed the traditions of Lent and as a class we will be taking part in challenges over the next 40 days. The Lent Challenge is set by the Diocese of Ely;

'Lent Challenge 2020 is about the planet, creation and life, and how we act as stewards of God's World. Viewed from space, the earth is seen as a beautiful blue planet, full of life and diversity. It is a great gift and as people, we are stewards of the planet for all life forms living and inhabiting the earth, on land, in sea and air. It is undoubtedly under threat in 2020, and there are significant groups who are working tirelessly to make sure we take steps to save the planet from pollution and misuse. Many of these groups are children and young people, who have a voice in so many ways.'

In Hedgehog class we are going to be doing daily acts of kindness that focus on looking after our world and those that live in it. Some of our challenges will require support from home and these will be our home learning for the weeks up until Easter. We will send out weekly updates of the challenges and asking for help when required too but here are a few examples of what we will be doing:

- | | |
|---------------------------|------------------------------|
| ⇒ Recycling more | ⇒ Making compost bottles |
| ⇒ No new paper day | ⇒ Saving electricity |
| ⇒ Litter pick | ⇒ Planting a tree |
| ⇒ Reusing items for craft | ⇒ Reducing food waste |
| ⇒ Toy swap | ⇒ Upcycling old resources |
| ⇒ Saving water | ⇒ Supporting local charities |

We look forward to sharing with you all the wonderful challenges that the children take part in, Hedgehog Class Team.
