Introduction

Castle Camps Primary School is committed to safeguarding and promoting the welfare of the children in its care. The induction programme is a vital process that is undertaken to support newly appointed staff, volunteers and students.

The induction of new staff, including support staff, is an important part of school life and essential in maintaining and developing the ethos of the school. The teaching staff are the schools most expensive resource and it is important that we invest time and effort to help each new staff member to settle in quickly and happily into school.

An effective induction programme for teachers and support staff is essential to maintain continuity of purpose and benefit from the additional expertise the new member of staff will bring.

The aims of this policy:

Our priority is to raise standards and improve the quality of education for all our pupils in a safe and welcoming environment. We believe staff who are well supported and confident in their roles will help achieve this more successfully. The Induction Policy and the Induction Procedures aim to provide all newly appointed staff, and those changing role, with a programme of structured support and guidance appropriate to their role to enable them to:

- integrate successfully into the school or new role;
- consolidate their performance
- gain experience and develop professional expertise
- fulfil their job description successfully
- have opportunities for observation and discussion of their work with senior staff to discuss any difficulties that may be experienced
- identify their potential for career development and take advantage of opportunities for CPD
- have opportunities to join in and contribute to discussions on school policy.
