SQUIRREL CLASS NEWSLETTER

SEPTEMBER 2026

A warm welcome to Squirrel Class! We hope that you all had a wonderful, relaxing summer holiday and are looking forward to the new school year. We have had a lovely first few days. We have enjoyed getting to know the Year 1 children and seeing how well they have settled into a new class. The Year 2 children have come back ready to learn and have been showing the Year 1 children the ropes!

Y1 parents will shortly receive Google Classroom logins for their child. This is used instead of tapestry to share updates and messages. Parents are unable to message us directly on there, so please email the office instead.

HOMEWORK

You will soon be sent a homework challenge sheet for the term, with lots of exciting tasks linked to our new history topic, 'Explorers'. Each week, the challenge sheet will be uploaded to Google Classroom and you can submit work, photos or videos on there, or bring work in to show. We will spend time each Wednesday looking at work, online and brought in.

Year 1 children will receive a log in for 'numbots', a maths programme to use at home.

Year 2 children will soon start to receive weekly spelling homework. Instructions will be in the book sent home. Instead of sending home a separate timetable challenge, Y2s are now expected to log in to Timestable Rockstars 3 times each week.

REMINDERS

- Please name everything! We regularly have unclaimed property in the classroom, including odd socks!
- Please make sure your child is wearing the correct uniform and girls have long hair tied back.
- Please try to keep earrings at home on PE days, but if this is not possible, please bring in a little purse or box to keep them in during PE.

If you have any questions or concerns please do speak to us at the end of the day or send an email. We will respond as soon as we are able. Thank you for your support.
